

Angela D. Piatt Memorial Vocational-Technical Scholarship

The Foundation of the Rotary Club of Waynesboro is pleased to sponsor the **Angela D. Piatt Memorial Vocational-Technical (Vo-Tech) Scholarship**.

This Scholarship was established through the Rotary Club of Waynesboro Foundation in memory of Angela D. Piatt, an active and respected member of the Waynesboro community and the Rotary Club of Waynesboro. The intent of this scholarship is to provide financial support to a student who demonstrates academic ability and financial need and who is intending to further their education in the area of Vo-Tech training. Because the motto of the Rotary Club is “Service Above Self”, the applicant’s participation in activities of the school and community demonstrating an aptitude for service to others will be considered. The club believes that service to others is a major strength of our society and desires to encourage those who are already demonstrating it as they grow into adulthood.

Interested students should complete the attached application and return it by April 16 to:
